This condominium is being developed by Houston BH, LLC, a Florida limited liability company ("Developer"). Any and all statements, disclosures and/or representations shall be deemed made by Developer with respect to any and all matters relating to the marketing and/or development of the Condominium and with respect to the sales of units in the Condominium. Oral representations cannot be relied upon as contracts, stating the representations of the developer. For correct representations, make reference to this brochure and to the documents required by Section 786.503. Florida statutes, to be furnished by a developer to a buyer or lessee. These materials are not intended to be an offer to sell, or solicitation to buy a unit in the condominium. Such oral offering statement or memorandum of the prospectus (offering circular) for the condominium and its statement of contents should be relied upon unless made in the prospectus or in the applicable purchase agreement. If no written statement of contents is made in the prospectus or in the applicable purchase agreement, it may be relied upon unless made in the prospectus or in the applicable purchase agreement. In no event shall any solicitation, offer or sale of unit in the condominium be made in, or to residents of, any state or country in which such activity would be unlawful. FOR NEW OWNERS: RESIDENTS: THE OFFICIAL STATEMENT OF THE PROJECT IS TITLED "THE CONDOMINIUM EDUCATION AND SALE AGREEMENT". THE OFFICIAL FILE NO. CFS-18-00001. The boundaries of the project are the exterior lines of interior dimensions as set forth in the official statement of the project, including the interior lines between the exterior walls and excluding exterior structural components and/or the common areas of the project. The boundaries of the project do not coincide with the lines of the lot in other condominium projects that utilize the same method. Measurements of rooms set forth on this floor plan are generally taken at the farthest points of each given room (i.e. if the room were a perfect rectangle), without regard for any cutouts or variations. Accordingly, the area of the actual room will typically be smaller than the product obtained by multiplying the listed length and width. All dimensions are estimates which will vary with actual construction, and all floor plans, specifications and other development plans are subject to change and will not necessarily accurately reflect the final plans and specifications for the development. The project graphics, renderings and text provided herein are copyrighted works owned by the Developer. All rights reserved. Unauthorized reproduction, display or other dissemination of such materials is strictly prohibited and constitutes copyright infringement. No real estate broker is authorized to make any representations or other statements regarding the project, and no agreements with deposits paid to or other arrangements made with any real estate broker are or shall be binding on the Developer.
